

If you ever - 1/1

Interprété par East 17 Feat Gabrielle.

The very first time that I saw your brown eyes
Your lips said hello and I said hi
I knew right that you were the one
But I was caught in physical attraction
But to my satisfaction
Baby, you were more than just a friend

Refrain:

And if you ever fall in love again
You must make sure that in love so true
You must be sure that she feels the same way, too

If I said that I would be your one and only
Promise that you'd never leave me lonely
I just want to be the one you need
I just want to be the one to serve you
Sometimes I feel as I don't deserve you
I cherish every moment that we share

Refrain

The very first time that I saw your brown eyes
Your lips said hello and I said hi
I knew right then you were the one
And I was caught in physical attraction
But to my satisfaction
Baby, you were more than just a friend
