

Go deep - 1/1

Interprété par Janet Jackson.

Refrain:

We go deep and we don't get no sleep
Cause we be up all night until the early light
We go deep and we don't get no sleep
Cause we be up all night until the early light

I'm feeling fine 'cause in time I'll be out tonight
I'm starting now making sure I look fine tonight
Call Rene and Boo gotta meet them soon
Tell T. to call Shawn I'll be there at 1.00
When we show up all the guys at the club
Wanna get our backs we look good in black

Refrain

I'm feeling high 'cause I'm outta control tonight
(Feelin' high don't wanna stop)
He's got me movin' DJ groovin' feel way right
(Groovin' I don't wanna stop)
I'm getting freaked from behind I don't ever mind
'Cause he looking damn fine make him mine in time
Gotta take him home when I get him alone
I'll make him scream and moan he won't wanna stop

Refrain (2 fois)

I'm feeling high tonight outta control tonight
I'm feeling high tonight I fel high
