

Ghost - 1/2

Interprété par Erasure.

Go to bed sleepyhead
The boys have all gone away
You must be brave
Ride the wave
See the world in a day

I'm sorry
She's a lady
But a ghost from the past
Haven't seen my honey lately
Said our love wouldn't last

Soldier blue we've come for you
Half a crown for the chest
The little bird
She fell to earth
Perhaps it's all for the best

I'm sorry
She's a lady
But a ghost from the past
Haven't seen my sugar lately
Said how long would it last
She's a ghost from the past

Go to bed you sleepyhead
The boys have all gone away
You must be brave
Ride the wave
To see the world in a day

Now I'm sorry
She's a lady
But a ghost from the past
Where's my honey been lately
Said our love wouldn't last

(Can you hear the birds)
(Can you feel the air)
(Can you see the light)
(Are you everywhere)
(Can you really fly)
(Can you feel the air)
(Can you see the light)
(You can be at one)
(Can you hear the birds)
(Can you feel the air)
