

Me against the music - 1/3

Interprété par Britney Spears.

All the people in the crowd
Grab a partner, take it down

It's just me against the music
It's just me
And me...
He Britney???
Yeah, (umph)
Are you ready??
Hu hu hu!

(When no one cares), It's whipping my hair
It's pulling my waist, (To feel the stares)
The sweat is dripping all over my face, (Where no one's there)
I'm the only one dancing up in the place, (Tonight I'm here)
To the beat of the drum, Gotta get with the bass

I'm up against the speaker
Trying to take on the music
It's like a competition
Me against the beat
I wanna get in the zone
I wanna get in the zone

If you really wanna ride
Saddle up and get ya rhythm
Try to hit it, you could die, in a minute,
I'ma taking ya on, I'ma taking ya on

Hey, hey, hey
C'mon now

All my people on the floor let me see you dance, hey
All my people wantin' more let me see you dance, hey
All my people round and round let me see you dance, hey
All my people in the crowd, let me see you dance, hey

Ooh
(Tonight it's like a competition)
(Let's take on your song)
Let's take on your song
Let's take on your song (on the music)
(Turn the party all night long) All night long, whoa!!

(We're almost there)
I'm feeling it bad and I can't explain (I'm feeling scared)
My hips are moving at a rapid pace (I feel it burn)

Me against the music - 2/3

From the tip of my toes
And through my veins, (You lose your turn)
Let me see what you got, don't hesitate

I'm up against the speaker
Trying to take on the music
It's like a competition
Me against the beat
I wanna get in the zone
I wanna get in the zone

If you really wanna ride
Saddle up and get ya rhythm
Try to hit it, you could die
In a minute, I'ma taking ya on
I'ma taking you on
