

Billy S - 1/1

Interprété par Skye Sweetnam.

Wake up tired
Monday morning suck
It's way too early to catch your bus
Why conform without a fuss?
Daddy, daddy no!
I don't wanna go to school!

[CHORUS]

I don't need to read Billy Shakespeare Meet Juliet or my Volio Feel for once what it's like to rebell now I wanna break out lets go

Teachers teach us all like clones
"Sit up straight, take off your headphones"
I don't blame them
They get paid
Money, money whoo!
Lots of money, money whoo!

[CHORUS]

Get out, get out, get out, get out whoo!
Get out, get out, get out whoo!
To skip or not to skip(and to die), it's the question
Get out, get out, get out, get out whoo!
Get out, get out, get out
Get out, get out, get out

[CHORUS] x 2

Get out, get out, get out whoo!
Get out, get out
Feel for once what it's like to rebell now
I wanna break out lets go
Get out, get out, get out whoo!
Get out, get out
