

## He loves me (album alsou) - 1/2

**Interprété par Alsou.**

Lately it's crazy, this feeling taken over me  
I'm neglect and that's not how it used to be

he used to walk me home  
talk for hours on the phone  
never leave me alone  
so where did we go wrong

if he can't make up his mind  
maybe I should go  
if he loves or loves me not,  
that's All I need to know

He love me, he loves me not  
he likes to play around a lot  
but it's bound to stop  
cos one thing he still got is....  
I can walk away

He love me, he loves me not  
I know what he's thinking but I'm all ?  
but I see, I'm history  
if you don't make me believe  
he loves me, loves me

take it for granted that I will always be around,  
turns out that ?  
if there isn't no law break out  
he says we're got nowhere  
if I am here he's always there.  
I suggest I make it clear,  
a bruiser really cares

it's time to realise that I can take no more,  
does he love or love me not,  
that's all I need to know

He love me, he loves me not  
he likes to play around a lot but it's bound to stop  
cos one thing he still got is....  
I can walk away

He loves me, he loves me not  
I know what he's thinking but I'm all ?  
but I see, I'm history  
if you don't make me believe he loves me, loves me

## He loves me (album alsou) - 2/2

does he still love me  
does he still care  
cos I feel lonely  
when he's not here

does he still really love me  
does he still really care  
cos I still feel so lonely  
when he's not really here

does he still really love me  
does he still really care  
cos I feel.....  
if he'd make it clear

He love me, he loves me not  
he likes to play around a lot but it's bound to stop  
cos one thing he still got is....  
I can walk away

He loves me, he loves me not  
I know what he's thinking but I'm all ?  
but I see, I'm history  
if you don't make me believe he loves me, loves me  
If you gonna let me go, let me know

He loves me, he loves me not  
I know what he's thinking but I'm all ?  
but I see, I'm history  
if you don't make me believe he loves me, loe me

Gonna love me, say you love me

Gonna need me, say you need me

Gonna love me, say you love me

Gonna need me, say you need me
