

## My way - 1/1

## Interprété par Robbie Williams.

And now the end is near So I face the final curtain My friend, I'll say it clear I'll state my case of which I'm certain

I've lived a life that's full
I've travelled each and every highway
And more, much more than this
I did it my way

Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exception

I planned each charted course Each careful step along the byway Oh, and more, much more than this I did it my way

Yes, there were times, I'm sure you knew When I bit off more than I could chew But through it all when there was doubt I ate it up and spit it out I faced it all and I stood tall And did it my way

I've loved, I've laughed and cried
I've had my fails, my share of boozing
And now as tears subside
I find it all so amusing
To think I did all that
And may I say, not in a shy way
Oh, no, no not me
I did it my way

For what is a man, what has he got If not himself, then he has not To say the things he truly feels And not the words he would reveal The record shows I took a blow And did it my way
