

## Aeon - 1/1

**Interprété par Lacuna Coil.**

There is something  
in your eyes  
flowing them over  
stealing all the harmony  
which lives in me  
your hands are covering  
my tears

oh, why

There's a sort  
of inner dance  
trying to seduce me  
feeling this anomaly  
which takes me

Your touch
