

## Everything - 1/1

**Interprété par Bif Naked.**

My mother gave me one more reason  
Not to call you on the phone.  
She told me, "chase girls like that  
All yer life and you'll wind up alone."  
I guess I would just like to take you  
Out for a cappuccino,  
You refuse my advances once again,  
I can't hear one more "no!"

I wish you would get over him,  
I'll change yer mind about everything.

When I wink at you, you always  
Turn the other cheek,  
I drilled a hole in the girls' showers  
So that at you i could peek,  
I'd love to get you naked and throw you  
In the back of my dad's car,  
I hear that if I get to third base with you,  
It won't be too far!

I wish you would get over him,  
I'll change yer mind about everything!  
As i grow older i feel better  
about me and myself,  
I swear I never, ever once wished  
I was anybody else.  
I'd like to tell you i think you should  
Come up and see me sometime,  
I know that I could possibly make it  
The best time of yer life!

I wish you would get over him!  
I'll change yer mind about everything!
