

# Happy together - 1/1

**Interprété par Simple Plan.**

Imagine me and you, I do  
I think about you day and night, it's only right  
To think about the girl you love and hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me and ease my mind  
Imagine how the world could be, so very fine  
So happy together

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue for all my life

Me and you, and you and me  
No matter how they toss the dice, it has to be  
The only one for me is you, and you for me  
So happy together

If I should call you up (call you up), invest a dime  
And you say you belong to me (ease my mind) and ease my mind  
Imagine how the world could be (very fine), so very fine  
So happy together (together)

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue for all my life

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue for all my life

For all my life, yeah!

Call you up, ease my mind  
Ease my mind  
Ease, my, mind!

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue for all my life

I can't see me lovin' nobody but you for all my life  
When you're with me, baby the skies'll be blue for all my life
