Friday night, At the crib
Thinkin about the club that we gonna hit
The spot gonna be hot tonight
So i better be looking tight
Grab my coat & my keys
Look out there comes the Mercedes
Watch out because tonight iam gonna get mine

To all my players, who be waiting in line
Come on, Get in, Get Ready
to all my ladies, who be dressing real fine
Come on, Get in, Get Ready
Anybody who wants to freak it tonight
Come on, Get it, Get Ready
Bring your credit and your money inside
Come on, Get in, Get Ready
Come on in and throw it up,
Mister DJ come on and turn it up
This is how we rock it in the T - Dot
Come on in and turn it up
This is how we rock it in the T - Dot

Over here at the bar
Everything looking good so far
I see a shorty come at my way
Better think about what to say
she said "YO what the deal?"
Boy you know itas you that i feel
So I said I going to do you right
