

## Broken - 1/1

**Interprété par 12 Stones.**

Alone again again alone  
Patiently waiting by the phone  
Hoping that you will call me home  
The pain inside my love denied  
Hopes and dreams swallowed by pride  
Everything I need it lies in you

'Cause I'm broken  
I know I need you now  
'Cause deep inside I'm broken  
You see the way I live  
I know I know your heart is broken  
When I turn away  
I need to be broken  
Take the pain away

I question why you chose to die  
When you knew your truth I would deny  
You look at me  
The tears begin to fall  
And all in all faith is blind  
But I fail time after time  
Daily in my sin I take your life

All the hate deep inside  
Slowly covering my eyes  
All these things I hide  
Away from you again  
All this fear holding me  
My heart is cold and I believe  
Nothing's gonna change  
Until I'm broken
