

I'm raving - 1/1

Interprété par Scooter.

Put on my raving shoes,
and I boarded a plane.
Touched down in the land,
where the skyes were blue,
in the middle of the pouring rain.
Everybody was happy,
energy shining down on me.
Yeeeah, I've got a first-class ticket,
feel as good as a boy can be.
I'm raving, I'm raving.
I'm raving 'till the sweat has fallen down off me.
I'm raving, I'm raving.
But do I really feel the way I feel?
Yes!
C'mon!
Yeeeeeah!!

Give it up now!
