

# Odysseus - 1/1

**Interprété par Arielle Dombasle.**

They say you're lost  
They say you're gone  
I call your name  
Odysseus

I keep praying  
But there's no mean  
You brave our souls  
I know you'll be back  
Odysseus

Your loss creates my pain  
You'll drive me to despair  
I won't lose you, I swear, My love

One day they'll understand  
That day will be the end  
No more tears or sorrow  
No more pain no more wounds  
Only joy

They say you're lost  
They say you're gone  
I call your name  
Odysseus

I keep praying  
But there's no mean  
You brave our souls  
I know you'll be back  
Odysseus
