

## Bubblin' - 1/2

**Interprété par Blue.**

I think you're bout it bout it  
No man could ever doubt it  
You're looking so delicious  
Could this be the night that we uh-hh

Get closer just a little  
Take it up another level  
Look it's just plain and simple  
could this be the night that we uh-hh

Don't fight it, can't hide it  
Let's ride this

It just feels so right

**CHORUS**

Uuuu, you got the perfect body  
I love the way you're shacking it for me  
Can we take it upstairs from the lobby  
I don't see nothing in  
You and me bubblin'

How do we get started ?  
How do we get private ?  
Once we get inside  
It's gonna be troublin'  
You and me bubblin'

Why don't we get his poppin'  
Top side and no disturbing  
Room service in the morning  
This will be the night that we uh-hh..

Elevator's waiting open  
Don't you think it's time we go in  
Can't let the penthouse waiting  
This will be the night that we uh-hh.

Clock's turning, time's wasting  
And you're amazing

It just feels so right

**CHORUS**

How do we get started ?  
How do we get private ?

## Bubblin' - 2/2
