

Underappreciated - 1/2

Interprété par Christina Aguilera.

I remember when it all first began
We were tight right from the start
It wasn't long before you came on strong
Trying hard to win my heart (trying to win it)

I played hard to get but I couldn't help
givin up my heart in the end
You were thoughtful
Careful not to hurt the relationship

What happened to those days when
You used to be compassionate
Caring what I thought and said
So attentive gentleman
Now it's hard to strain your head away from the TV set
Taking me for granted lately and
Frankly, it's gotta quit

I feel underappreciated
Now girls help me out
if you know what I'm talking about I said
I'm feeling underappreciated
For all the time and effort I have put in this commitment

Back to the very beginning,
When our love was something new
Back when romance was important
Not just another thing to do

I was feeling high on loves delight,
Thought I never come back down
Now it seems that you and me
Have lost our solid ground

After time I realize
I seem to give more than I get,
Funny how things seem to change
After a few years commitment

Used to talk for hours on end
Of our dreams while we lay in bed
How I missed those days when you stayed awake
Now you roll over and snore instead

I feel underappreciated
Now girls help me out
If you know what I'm talking about, I say

Underappreciated - 2/2

I'm feeling underappreciated
For all the time and effort I have put in this commitment

Oh yeah yeah yeah yeah yeah
I miss the nice massages
The long phone calls,
and The way you talked,
How it turned me on
I miss the bubble baths, had the sweetest laughs

Im needin those days back

I feel underappreciated
Now girls help me out
If you know what I'm talking about I say
I'm feeling underappreciated
For all the time and effort I have put in this commitment
