

## Cruz - 1/1

**Interprété par Christine Aguilera.**

I'm leaving today  
Living it, leaving it to change

Slowly drifting into a peaceful breeze  
Tounge tied and twisted are all my memories  
Celebrating a fantasy come true  
Packing all my bags  
Finally on the move

I'm leaving today  
I'm living it, I'm leaving it to change

As I'm driving, I'm captured by the view  
So much beauty, the road becomes my muse  
The heat is rising, and my hand surfs through the wind  
Cool, calm, collective as a child that lies within

See I'm leaving today  
I'm living it, oh I'm leaving it to change  
See I'm leaving today  
Oh yes, I'm living it, I'm leaving it to change  
But somehow I'll miss it  
I think I'll really miss it, one day

I turn on the radio  
And I'm feeling like Ive never felt before  
Turn down the memories of yesteryears and broken dreams  
I'm free, finally free

Slowly drifting into the peaceful breeze

I'm leaving today  
Oh yeah, I'm living it(oh yes), leaving it to change(to change)  
Oh no, see I'm leaving today(oh yes)  
I'm living it(living it)  
Leaving to change(ohhh)  
I'm leaving today  
Living it, leaving to change  
Living(to change), leaving to change(oh yeah)  
Living it, leaving it  
Said I'm living it, I'm leaving it  
Living it, leaving it to change  
I'm leaving it to change  
But somehow I'll miss it, I think I'll really miss it one day
