

P5hing me a*ay - 1/1

Interprété par Linkin Park.

When I look into your eyes
There's nothing there to see
Nothing but my own mistakes
Staring back at me

Everything has to end, you'll soon find, we're outta time, left to watch it all unwhind
Everything falls apart, even the people who never from eventually break down
Everything has to end, you'll soon find, we're outta time, left to watch it all unwhind
Everything falls apart, even the people who never from eventually break down

I've lied
To you
This is the last smile
That I'll fake for sake of being with you
(Everything falls apart, even the people who never from eventually break down)
(Everything has to end, you'll soon find, we're outta time, left to watch it all unwhind)
For sake of being with you
(Everything falls apart, even the people who never from eventually break down)
The sacrifice is never knowing

REFRAIN

Why I stayed with you
Just push away
No matter what you see
You're still so blind to me

I've tried
Like you
To do everything you wanted to
This is the last time
I'll take the blame for the sake of being whith you
(Everything falls apart, even the people who never from eventually break down)
The sacrifice of hiding in a lie
(Everything has to end, you'll soon find, we're outta time, left to watch it all unwhind)
The sacrifice is never knowing

Reverse phsycology's failing miserably
It's so hard to be, left all alone
Telling you is the only chance for me
Theres nothing left but, to turn and face you
When I look into your eyes, there's nothing there to see
Nothing but my own mistakes Staring back at me
Asking why...
The sacrifice of hiding in a lie (Why)
The sacrifice is never knowing
