For as long as you're willing girl,
Want you to know that I'm willing too.
And where you want me to go girl
I'll be willing to go there for you.
If you want me to take my time
I'll be willing to spend the night
All you gotta say is please stay Joe
And I'll be staying as long as you saying...

[Chorus:]

More and More
(Then after that you want)
more and more
(And after that)
more and more
(Then after that)

(I hear you saying)

(Then after that you want)
more and more
(Then after that)
more and more
(Then after that)

[Verse 2:]

If you want me to make your love come
I'll be willing to do anything
Even if you me to kiss places

Want me here Monday to Monday,
