

How can i live - 1/1

Interprété par Ill Niño.

I am
So unlike you, in so many ways
I know
I'm just a copy, that carries on the stain
BUT, we make the same mistakes
'CAUSE, we are one and the same
We leave behind the stain
That cannot separate
All the lies in me
All that dies in me
How can I live without you?
All the lies in me
All that dies in me
How can I live without you?
I am, your mirror image
I'm all you left behind
You made me what I am
And who the hell am I?
But, we make the same mistakes
'Cause, we are one and the same
We leave behind the stain
That cannot separate
All the lies in me
All that dies in me
How can I live without you?
All the lies in me
All that dies in me
How can I live without you?
Why, yo no entiendo porque
I know that our lives are the same
Y mi vida is just a guessing game, a dirty stain that I cannot play
But I follow your steps
In that same way that you just
Walked away and pushed away
The fact that I will not live
Do you think of me?
Do you dream of me?
I always dream about you
Do you think of me?
Do you dream of me?
I always dream about you
All the lies in me
All that dies in me
How can I live without you?
All the lies in me
All that dies in me
How can I live without you?
