She put the oil in the chain for a ride today, no boloney  
Ride around on my bicycle like a pony  
I'm wavin hi hi hi hi hi  
G-g-g-gimme the speed  
Gimme gimme the beat  
Oh Tony

To-ny (4x)

I can talk to my bicycle tire  
I'm racin', speed by, turn and pop a wheelie and burn  
People chasin'  
I'm wavin' bye bye bye bye bye  
I got a card in my spokes  
I'm practicin' my jokes  
I'm learnin'

This is a song about a superhero named Tony

I can get by this sort  
If you give me some pass  
Some glasses on the back of the road  
He was even dressed like a toad
