**Interprété par Pixies.**

hope everything is alright hope everything is alright

what's that floating in the water

oh neptune's only daughter

i believe

in mr. grieves

pray for a man in the middle

one that talks like doolittle

i believe

in mr. grieves

do you have another opinion

do you have another opinion

la la la la la la la la

la la la la la la la la

got bombed got frozen

got finally off to a finally dozing

i believe

in mr. grieves

do you have another opinion

opinion

do you have another opinion

do you have another opinion

you can cry you can mope

but can you swing from a good rope

oh i believe

in mr. grieves

hope everything is alright

hope everything is alright
