

## Calgone - 1/1

**Interprété par Incubus.**

On my way home, police car pulled me over

After they left, I puttered out of gas  
'Triple-A' came, but my card was expired!  
I had to walk home, and of course, it rained half the time  
I tried to get some shut-eye, then I was abducted!

They put cold things in my butt  
They sampled a bit of my D.N.A  
They left me on top of my sheets  
I dreamt I went potty, then woke up drenched in me

This day sucked the hardest ever..

Refrain:

I woke up on the wrong side of the bed today  
A little bit less than nothing would go my way

I got up to toss my soiled sheets  
The hallway was dark and I stubbed my big toe  
It was then that I sensed the irony (burning me)  
Then I heard a voice say  
"Come sail aboard S.S. Nepenthe!"

I suppose I'm to blame for getting pulled over

Refrain

Thank goodness for the bathtubs and suds!

I guess I'm the culprit for running out of gas  
Let's assume I'm the guy who didn't pay his 'Triple-A' fee  
In actuality, I let the zetas probe me  
Yesterday was all my fault  
I let negativity get the better of me  
Thank goodness for the bathtubs and suds!  
They temporarily set free this quandary.
