

## Heart - 1/1

Heart

I know I've been hard on you  
I'm sorry for the things I put you through  
Before you start to break on me  
Or ask for sympathy  
I need to make you see  
Oh heart

I'm not sure it's been long enough  
To say that what I feel is really love  
There is just one way to learn  
Sometimes we'll get hurt  
And right now it's our turn

Give it time  
Help me through  
Heart we can do this together  
You're my strength  
You're my soul  
I need you now more than ever

Heart  
All the hurt will soon be gone  
If you'll, if you'll just keep on beating strong  
You will always be my friend  
So keep on hanging in  
And we'll find love again

Give it time  
Help me through  
Heart we can do this together  
You're my strength  
You're my soul  
I need you now more than ever

Heart  
I know I've been hard on you  
I'm sorry for the things I've put you through  
Please don't you break on me  
I need to make you see  
It wasn't meant to be  
'Cause you, will always be my friend  
So keep on hanging in  
And we'll find love again
