

## Burn - 1/2

### Interprété par Usher.

i dont understand.. why...  
see it's burnin me to hold on to this  
i know this is somethin i gotta do  
that don't mean i want to  
what im tryna say is that i.. love you  
i just.. i feel like this is comin to an end  
and it's better for me to let it go now  
than hold on and hurt you..  
i gotta let it burn

it's gonna burn for me to say this  
it's comin from my heart  
it's been a long time comin  
but we done been fell apart  
you wanna work this out  
but i dont think your gonna change  
i do but u dont  
think its best that we go our seperate ways  
tell me why i should stay in this relationship  
when im hurtin baby.. i aint happy baby  
plus there's so many other things i gotta do  
i think that you should.. let it burn

(chorus)

when the feelin aint the same in your body  
they want to but you know  
you gotta let it go  
cuz the part of you  
aint feelin like it use to  
let it burn let it burn let it burn (gotta let it burn)  
deep down you know its best we stop  
but you hate the thought of her being  
with someone else but you know that its over  
you know that its true  
let it burn let it burn let it burn (gotta let it burn)

im not supposed to  
got somebody here  
but i want you  
cuz the feelin aint the same  
by myself callin her.. your name  
maybe it's time you understand  
now all my fellas do u feel my pain  
it's the way i feel  
i knew i made a mistake  
now it's too late
