

Corporate cloning - 1/1

Interprété par Fear Factory.

A cloned force massproduced, simulate, introduced
Delinquent rank and file, encoded, stamped and styled
Ill affected progeny, tasteless iconography

A half life in the light, industry by design
Plastic thoughts in my mind, thus bingins my demise
This years model dims and fades, last years model is erased
Prototype by design, prototype stand in line!
Another fading idol...
Another falling icon...

Like insects share a mind, deniance is a crime
Delinquent rank and file, encoded, stamped and styled
Ill affected progeny, tasteless iconography
This years model dims and fades, last years model is erased
Prototype by design, prototype stand in line!
Another fading idol...
Another falling icon...

Sometimes I wish I were deaf and blind!

Another fading idol...
Another falling icon...
