

## **Everything i knew - 1/1**

## Interprété par Busted.

Everything I knew just went out the window Now I can depend on you - forever And I never thought I'd see My life walk away from me I thought we'd always be - together

Notice you didn't have to pay
For every word I say
And I wish I could change your decision
And you know that I try
And tell you what it's like
But you just wouldn't listen

## Refrain:

Let's go back let's rewind to the days that remind me Of all the good times that we spent together And I don't know why we just let it all slide When we both knew inside we were right for each other

I don't know what to do
Cause your everything that I knew

Every things the same
It's like tomorrow never came
We used to talk about - whatever
And the seasons never change
We never used to act our age, every time we were - together

Notice you didn't have to pay
For every word I say
And I wish I could change your decision
And you know that I try
And tell you what it's like
But you just wouldn't listen

## Refrain

I don't know what to do Cause your everything that I knew

How can you just walk out of my life Without even giving a reason And how can you look so good The day I watched you leaving
