

Desperate for a dog - 1/2

Interprété par Mary-Kate And Ashley.

Desperate For a Dog
Mom and Dad
Can't you see we're sad?
Pining away for a canine
Wow is me
Oh the misery
We'd like a dog
We lack a dog
Alas! Alack-a-dee!

Desperate
Desperate for a dog
We're just desperate for a dog!
Give us a puppy!
Not a gerbil or a frog
We're just desperate for a dog!
Give us a pooch!
A kid's best friend
To romp and frisk and bark
These lyrics are from Kolsenfan.fr.st
Lick your nose, shed on your clothes
Chase a frisbee in the park

Desperate
Desperate for a dog
We're just desperate for a dog!

We've asked you politely
For a year or two
You always say we'll see about it
Then you never do
Our friends all have got dogs
How do you thing we feel?
What's the big deal?
A collie or a dalmatian
A poodle or an Alsatian
Maltese, Pekinese
Please, oh please, oh please, oh please, oh please!

Desperate
Desperate for a dog
We're just desperate for a dog!
Give us a puppy!
Not a gerbil or a frog
We're just desperate for a dog!
Give us a pooch!

Desperate for a dog - 2/2

We're begging!!!
Keep your hamster and your hog
We're just desperate for a dog!

It's no big thing
Any mutt will do
Let's trot to the pound, pick out a hound
Find a shoe for him to chew

Desperate
Desperate for a dog
We're just desperate for a dog!
Give us a puppy!
Not a gerbil or a frog
We're just desperate for a dog!
Give us a pooch!
