

# Drunk girl - 1/1

**Interprété par Something Corporate.**

I kissed a drunk girl  
I kissed a drunk girl yes I did  
I kissed a drunk girl on the lips

I let my guard down  
How could I have been so dumb  
Her eyes were open  
I know I am not the one (3x)

Chorus:  
I kissed a drunk girl  
Why do I do these things I do to myself  
I kissed a drunk girl  
And I'm sure I coulda been  
With anybody else

I went to her house  
And everybody there was gone  
Her little cousin just passed out on the lawn  
We walked to my car  
She mouthed "Is Everything okay?"  
She leaned in slowly  
So now I can say

Chorus  
Anybody else

I pulled away  
I didn't think it would be right  
I said "Let's save this for another night."  
And she said "No,no,no.I know that everything's gonna be just fine"  
How could I do this  
When I want her to be all mine

Chorus  
Anybody else

I know you don't care about me  
I'm sure when all is said and done  
And I go home feeling lonely  
You will have had your fun  
Do you even remember?

Chorus  
Anybody else, anybody else, I coulda been anybody else
