

## Duality - 1/1

**Interprété par Slipknot.**

I've wished for this, I've bitched at that  
I've left behind this little fact  
You cannot kill what you did not create  
I've gotta say what I've gotta say  
And then I swear I'll go away  
But I can't promise you'll enjoy the noise  
I guess I'll save the best for last  
My future seems like one big past  
you're left with me cause you left me no choice

I push my fingers into my eyes  
It's the only thing that slowly stops the ache  
If the pain goes on, I'm not gonna make it!

Put me back together or separate the skin from bone  
Leave me all the pieces, then you can leave me alone  
Tell me the reality is better than the dream  
But I found out the hard way - Nothing is what it seems

I push my fingers into my eyes  
It's the only thing that slowly stops the ache  
But it's made of all the things I have to take  
Jesus it never ends, it works its way inside  
If the pain goes on, I'm not gonna make it!

All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane

I push my fingers into my eyes  
It's the only thing that slowly stops the ache  
But it's made of all the things I have to take  
Jesus it never ends, it works its way inside  
If the pain goes on, I'm not gonna make it!

All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane  
All I've got - All I've got is insane
