

Dead gardens - 1/1

Interprété par Nightwish.

The story behind the painting I drew is already told
No more tearstains on the pages of my diary
Tired but unable to give up since I'm
Responsible for the lives I saved

The play is done
The curtain's down

All the tales are told
All the orchids gone
Lost in my own world
Now I care for dead gardens

My song is little worth anymore
Time to lay this weary pen aside

The play is done
The curtain's down

" Where are the wolves, the underwater moon
The elvenpath, the haven of youth
Lagoons of the starlit sea

Have I felt enough for one man's deed?
Or is it time to challenge the Ancient of Days
And let the virgin conceive"

All the tales...
