

## Higher than hope - 1/1

**Interprété par Nightwish.**

Time it took the most of me  
And left me with no key  
To unlock the chest of remedy  
Mother, the pain ain't hurting me  
But the love that I feel  
When you hold me near

The hopes were high  
The choirs were vast  
Now my dreams are left to live through you

Red Sun rising  
Drown without inhaling  
Within, the dark holds hard  
Red Sun rising  
Curtain falling  
Higher than hope my cure lies

Passiontide  
An angel by my side  
But no Christ to end this war  
To deliver my soul from the sword  
Hope has shown me a scenery  
Paradise poetry  
With first snow I'll be gone

The hopes were high...

Red Sun rising...

Your death saved me

Red Sun rising...
