Cultivate Your Anger before you Idealise
Motivate Your anger to make them all Realise

Climbing the mountain
Never Commin down
Break into the context
Never Falling Down

My Knees still shaking like I was twelve
Sneakin out the classroom By teh back door
A man railed at me twice though but I didn't care
Wating is wasting for people like me

Don't try to live so wise
don't cry coz yor so right
Don't dry whith fakes or fear
Coz you will hate yourself in the end [BIS]
