

Real emotion - 1/2

Interprété par Jade.

What can I do for you ?

What can I do for you ?

What can I do for you ?

What can I do for you ?

I can't hear you

What can I do for you ?

What can I do for you ?

What can I do for you ?

Falling in the hazy barriers of my heart

I can see your face

It's something like this

Every now and then I don't know what to do

Still I know that I

Can never go back

All the things I've seen

In those hazy dreams

Can't compare to what I'm seein' now

Everything's so different

That it brings me to my knees

[Chorus]

And oh, I know, the world of real emotion has surrounded me

I won't give in to it

Now, I know

That forward is the only way my heart can go

I hear your voice calling out to me

You'll never be alone

What can I do for you ?

What can I do for you ?

What can I do for you ?

What can I do for you ?

I can't hear you

[Chorus]

And here I find the real without emotion has surrounded me

And I can't go on

You are there the moment that I close my eyes

You call to me, We are connected.

Go on. You see, I'll never be

And oh, I know, the world of real emotion has surrounded me

I won't give in to it

Real emotion - 2/2

Now, I know
That forward is the only way my heart can go
I hear your voice calling out to me
You'll never be alone

What can I do for you ?
What can I do for you ?
What can I do for you ?

I can't hear you

I can't hear you
