

## Somewhere in the middle - 1/1

**Interprété par Dishwalla.**

I was out the other day  
And I saw you in your big black car  
And I was waving as you were passing  
Cause I know who you are  
You had this look that of an angel  
It was such a bad disguise  
Did you think for second I would not realize

Tripping hard falling down onto the ground  
Cause I can't stand up, and I can't fall down  
Cause I'm somewhere in the middle of this, ooh, oh

I was out the other night  
And I saw you so we had a fight  
It was late and I was lonely  
And it's such a long way home  
So I asked you if you'd join me  
For a single last call drink  
So you turned and bought us two  
And you didn't even blink  
You had this look that of an angel  
It was such a bad disguise  
When you drink it makes you angry  
When I drink I want you more and more and more

Tripping hard falling down onto the ground  
Cause I can't stand up, and I can't fall down  
Cause I'm somewhere in the middle of this  
Tripping hard falling down onto the ground  
Cause I can't stand up, and I can't fall down  
Cause I'm somewhere in the middle of this  
(Somewhere in the middle)  
You know I find it hard  
I always tried to find the sane life  
But I don't like the way things are  
And I keep falling to my knees  
Somewhere in the middle of this  
Cause I'm somewhere in the middle of this

Tripping hard falling down onto the ground  
Cause I can't stand up, and I can't fall down  
Cause I'm somewhere in the middle of this, oh  
Cause I'm somewhere of the middle of this  
Somewhere in the middle
