

Be a man - 1/2

Interprété par Hole.

The only boy I understand
The one ashamed
To be a man
Just rape the world
Because you can
It's what it takes
To be a man

Knock her up
Just slap her hand
Prove it to me
Just be a man

I think I can
I think I can
I'm big enough
To be a man

Tell you the truth
I'm jealous, yeah
Do/Give anything
To be a man

Be a man
So impotent
Be a man
Oh

Take off your dress
Your masterplan
Do/Give anything
Just be a man

Cut it off
Of course you can
Got what it takes
To be a man

Oh rape us all
Just cause you can
Oh give it up
Just be a man

The fucking wars
The carnage, yeah
Give anything
To be a man

Be a man - 2/2

Cut it off
I know you can
Cause no one cares
If you're a man

Be a man
So impotent
Be a man
Oh

Get it up
I understand
Under the gun
To be a man

I think I can
I think I can
I'm big enough
To be a man

Fuck the world
Because I can
I'm everything
Be a man

Fuck the world
Because I can
Give anything
(breathing)

Be a man
I'm potent, yeah
Be a man
I'm potent, yeah
Be a man
I'm potent, yeah
I'm potent, yeah
