

I'll never stop loving you (japan) - 1/1

Interprété par Britney Spears.

They say in this world
Nothing lasts forever
But i don't believe that's true
'Cause the way that I feel
When we're together
I know that's the way
I'll always feel for you

Chorus:

From now until forever
That's how long I'll be true
I'll make you this vow
And promise you now
Until forever
I'll never stop loving you

There'll come a day
When the world stops turning
And stars will fall from the sky
But this feeling will last
When the sun stops burning
All I wanna do is love you
Till the end of time

Chorus (1x)

It's gonna take more than a lifetime
To give you all the love
All the love I feel for you tonight

Chorus (1x)
