

## Sexy, naughty, bitchy - 1/1

Interprété par Tata Young.

[Chorus:]

I pick all my skirts to be a little sexy  
Just like all my thoughts they always get a bit naughty  
When I'm out with my girls I always play a bit bitchy  
Can't change the way I am sexy naughty bitchy me

I'm the kind of girl that girl's don't like  
I'm the kind that boys fantasize  
I'm the kind that your momma and daddy were afraid you'd turn out to be like  
I may seem approachable but that's only to the boys who don't have the  
Right approach or ride that makes a girl like me wanna hop in and roll  
People think it's intimidating when a girl is cool with her sexuality  
I'm a 180 to the stereotype girls like staying home and being innocent

[Repeat Chorus]

My mouth never takes a holiday  
I always shock with the things I say  
I was always the kid in school who turned up to each class  
'bout an hour late and when it comes to the guys I'd lay  
I'd always pick the ones who won't figure out that I was clearly rebel to the idea of monogamy  
People think it's intimidating when a girl is cool with her sexuality  
I'm a 180 to the stereotype girls like staying home and being innocent

[Repeat Chorus]

Sexy... Naughty... Bitchy... Me

Think it's intimidating when a girl is cool with her sexuality  
I'm a 180 to the stereotype girls like staying home and being innocent

[Repeat Chorus]

I like all my shorts to be a little too shorty  
Unlike all my guys I like them tall with money  
I love all of my nights to end a little bit nasty  
Can't change the way I am sexy naughty bitchy me

I pick my skirts to be sexy  
Just like my thoughts a bit naughty  
When I'm out with my girls.. bitchy  
Can't change, I am  
Sexy naughty bitchy me
