

Here i go impossible again - 1/2

Interprété par Erasure.

How many dreams am I looking for
In your eyes, in your eyes
And baby
But it seems that you're reaching down
All alone
On your own

Dreams are emotion baby
You know how you gotta try

How am I supposed to know
What's in your head
What's on your mind
I'm searching for your love
It's in your heart
I need it

And here I go impossible again
Should I hold you close
To keep the night from ending

I know I put you on a pedestal
In my eyes, in my eyes
I don't like it when you put me down
Because it hurts, yeah it hurts

Win some and lose some baby
You know how you gotta try

I feel it in my heart
And in my soul
And through my veins
Falling from my lips
Three little words
I love you

Here I go impossible again
And should I hold you close
To keep the night from ending

Dive into the ocean baby
You know how you gotta try

How am I supposed to know
What's in your head
What's on your mind
Searching for your love

Here i go imposible again - 2/2

That's in your heart
I need it

Here I go impossible again
And should I hold you close
To keep the night from ending

Here I go impossible again
And should I hold you close
To keep the night from ending
