

Don't cry - 1/1

Interprété par Devil&angel.

Don't cry

Don't show me your tears

And don't open your heart

To unknow people

I know you're so sad

But just don't close your eyes

Come here with me

Together, the world will look better

Don't cry

Don't show me your tears

And don't open your heart

To unknow people

I'll still here for you

As long as you'll be ok

Don't be shy

I already see you to cry

Don't cry

Don't show me your tears

And don't open your heart

To unknow peoples

Just open it

to me
