Interprété par Devil&angel.

Forget him
Just forget him
Forget him
Just forget him

All what he did to you
I know it's no ok
He didn't had the right
To broke your heart

Forget Him
Just forget him
Forget him
Just forget him

Let's him to do
Let's him to cry
He'll regret
To let's you fall

Forget him
Just forget
Forget him
Just forget

Don't give him back
The things he already broken
Don't give him back
Your heart
