Over the sea
Moon's shining bright on its way
To clear the black night
Witness of the fight

You got the power on me
I'll be fighting forever
You cast the spell on me
Why don't you let me go?
No, no, no, no, no, no!

New day will dawn
For me and for you carry on
Black night is gone
Look what we have done

I got the power on you
We'll be fighting forever
I cast the spell on you
Never let you go
No, no, no, no, no, no!

Black night, all right
Black night
