Since you were born
Pushed into corner and left all alone
Told what to do, obey all the rules
Be just like everyone else, those fools
Day at the school
Teacher's a bully, you're mobbed as a rule
Nothing from TV, your folks are away
You are trapped inside this house, you must stay home

Now it's time for you to move on
Leave the shadows of your past
Don't let them haunt you forever

Hold on to your dream
Somewhere there's a beam
Of hope which is guiding your way through the dark
This is your chance
Your love, your romance
Hold on to your dream and never give up in your life
Hold on to your dream
