

# Galaxies - 1/1

**Interprété par Stratovarius.**

Album : Fourth Dimension (1995)

Musique : Timo Tolkki

Paroles : Timo Tolkki / Timo Kotipelto

Hear my call  
Don't waste your time  
Remember what we're fighting for  
Hear my voice  
Take my hand  
We got to win this war

We were meant to be free  
Not to live in slavery

To the other galaxies we go  
Gather all our strength before they know  
Soon the time will come for all of us  
To unite our souls and hearts  
Save the universe
