I'm going back through time
Before the war this crime
Who would have believed
That they would do it

One April morning
Without warning
The sirens woke us up
To minutes to live we got

I'm dying
I'm crying
Still I'm the lord

I'm fighting
Denying
Still I'm the lord of the wasteland

Now I'm alone in here
Last man on Earth I'll be
Walking through chaos land
There's just black mist and sand

I'm dying
I'm crying
Still I'm the lord

I'm fighting
Denying
Still I'm the lord of the wasteland
