

Breath of life - 1/1

Interprété par Erasure.

Never had a point of view
'Cause my mind was always someone else's mind

I never had to tell a lie
'Cause I left the choices up to them
Don't know why but I did

Oh I want life
Life wants me
To breathe in its love

Take me I'm yours
Now I'm coming up for air
I'm gonna live my time
For the rest of my life
Then I'll be coming back for more

I never had to call the tune
'Cause I always drifted with the tide of the moon

I would go out every night
Looking for someone to treat me right
Not a chance not a hope in this world

Oh I want life
Life wants me
To breathe in its love

Take me I'm yours
Now I'm coming up for air
I'm gonna live my time
For the rest of my life
Then I'll be coming back for more

Take me I'm yours
Now I'm coming up for air
I'm gonna live my time
For the rest of my life
Then I'll be coming back for more
