Everybody says I'm a lonesome kind of guy I've been defeated by them all If they can find me I'm done

Everybody knows that it really doesn't matter at all All the good things that I've done I'm up against the wall How come my file has been deleted

If this is what they want
I can tell you that the order's alphabetical
Don't you get it
Sooner or later
I'll be recruited by someone

Everybody knows that it really doesn't matter at all Everybody says I shouldn't mess with you no more If you see me on my own Drive on

If I were dismissed I would've gotten much more
If I wasn't that kind I wouldn't care at all
Sooner or later
Sooner or later
Sooner or later
I'll change my whole perspective

If this is what they want
I can tell you that the order's alphabetical
Don't you get it
Sooner or later
I'll be recruited by someone

Sooner or later
(I say)
sooner or later
sooner or sonner
& if it's for the better
I'll change my whole perspective
