Je ne sais pas qui a écrit ces paroles mais je soupçonne fortement Jens d'être responsable de ça :

Welcome to my place
It's pizza time
All kinds of fillings
Here you will find
So let me introduce you this pizza
It's so delicious and very cheap

Fantasia
Ham and cheese and onions
Sometimes paprika
Will you order now?
Fantasia
Number one this restaurant on this area
At your service we are
But discount you can't get
Welcome to Fantasia

Cooks are the best, vittu in my restaurant
Better than you've ever seen
We also make delicious lasagna
Come and taste, my friend

We are open now

Fantasia

Sometimes paprika
Will you order now?
