

I'm fed up! - 1/2

Interprété par Alizée.

Legs up for hours
My goldfish is under me

To bathe for hours
Makes my mouth waters
I'm foamely extatique

It's not a problem
I lazy 'round
Bubbly and stubborn
I lazy 'round
Melon and waters
It's just a drame
It makes me wonder
Is it a sin ?

Bubbles and waters
Legs up for hours
"Bombs, you keep away from me !

Today lying lot
Twisting up my toes
I swim in such harmony
So what bothers me :

[Chorus]
I'm fed up with loneliness
With my uncle overstressed
Fumbling, crawling for something
That never shows, just a dream.
I'm fed up with creeps crying
Over the past, such a sin
Not to be cool, but a fool
If I could mess up their rules.
I'm fed up with your complaints
Baby, well I'm not a saint !
Fed up with the rain, the plane
That makes me throw up again.
I'm fed up with all cyniques
Bathing caps and all critiques
I'm fed up with being fed up !
Poor me...
Bubbles and water
Legs up for hours
My goldfish still under me !
Delight of pleasures
Aquatic treasures

I'm fed up! - 2/2

A place out of misery, my fantasy

[Chorus]

Ba da da da bam bam

[Chorus]

Ba da da da bam bam

I'm fed up fed up
