

## On a day like today - 1/1

**Interprété par Keane.**

On a day like today  
I looked at you and I  
Saw something in the way  
You stared into the sky

I saw you  
Were sick and tired of my wrong turns  
If you only knew  
The way I feel I'd really love to tell you  
But I

Could never seem to say  
The things I needed to  
On a day like today  
No other words would do

I saw you  
Were sick and tired of my wrong turns  
If you only knew  
The way I feel i'd really love to tell you  
But I

Can never find the words to say  
And I don't know why  
I can't find the words to say  
And I don't know why  
I can't find the words to say  
And I don't know why  
I can't find the words to say  
And I don't know why

And I don't know why  
And I don't know why  
And I don't know why

I saw you  
Were sick and tired of my wrong turns  
If you only knew the way I feel  
I'd really love to tell you

But I  
Can never find the words to say  
And I don't know why  
I can't find the words to say  
And I don't know why
